

3rd December 1969.

Dear Mr. Saunderson,

With regard to your kind offer on the telephone yesterday to allow Concord Singers to sing a few carols in St. Pancras Station, the general opinion is that Wednesday, 17th December, would be the most favourable day for us. I am afraid that it will only be for the one evening, although it was kind of you to offer three. We would like to sing for two hours from 5.30 until 7.30 p.m. - the best time for collecting as there will be many commuters going home! - and we will collect for "Lend a Hand", a charity who look after the homeless and give a 24-hour service to people in distress.

Yours sincerely,

R. Saunderson, Esq.
