Dear Miss Greenwood,

re: CONCERT, St. Mark's, North Audley Street

Would you please convey to all concerned, especially to those that I did not see personally, my Council's very grateful thanks for their service on this occasion. The few tickets that we sold, unfortunately only £6 in all, I handed to your lady from the Corral Singers on Good Friday and also returned the unsold tickets.

I really think that if anything is being done where you require the help of the organisation, if we could receive as much publicity as possible in advance with better communication and liaison between us, it would be to our mutual advantage.

I have, by the way, received the enclosed letter from the Performing Rights Society Ltd., and I also realise, by viewing the attendance, that financially it was not a successful venture. Please do not let this discourage you or the organisers as we are only too grateful, as you are aware, for this marvellous assistance that the Concord Singers has always given us.

I did not receive any of the large posters at all, although I had made arrangements to have them distributed by three London boroughs on their official noticeboards.

Still, all I can say again is what a marvellous performance you all gave and I am only too sorry that more people could not have joined us to enjoy the occasion.

Yours sincerely,  
for and on behalf of  
The Executive Council  
of LEND A HAND
