Dear Mrs. Ford,

Cheese & Wine Party, Friday, 7th November 1975

I have been advised by Mrs. Rivers that members of your Group would be kind enough to sing at our Cheese & Wine Party on the above date and I have great pleasure in confirming that we should be delighted to accept that offer.

I believe that a figure of £25, including expenses, was mentioned and I formally confirm that this will be quite in order.

As on the previous occasion when we were fortunate enough to be entertained by your Group, the length of entertainment required would be approximately 20-30 minutes. commencing at, say, 9 o'clock and, if possible, we feel that a relatively light programme would be most appreciated.

We look forward with much pleasure to your performance and perhaps you will be kind enough to confirm the booking in due course.

Yours sincerely,

Hon. Secretary.

Dear Mrs. Ford,

May I, on behalf of all our members, thank your Group most sincerely for the lovely entertainment you accorded us at our Cheese & Wine Party last Friday. I am sure you were well aware of our appreciation from the enthusiastic response and clapping and everyone thoroughly enjoyed your delightful variety of songs.

On a more mundane note, I have great pleasure in enclosing a cheque for £25, and perhaps you will be kind enough to acknowledge this in due course for record purposes.

With every good wish for the continued success of your Group,

Yours sincerely,

Hon. Secretary.
